Senator McKenzie asked:

Has there been any changes to department and agency social media or protocols about staff access and usage of YouTube; online social media, such as Facebook, MySpace and Twitter; and access to online discussions forums and blogs since May 2011? Please explain.

Answer:

There has been no change to the Department's social media or protocols about staff access to and usage of social media since May 2011.

There has been one change to a Portfolio Body's social media policy. The Indigenous Land Corporation adopted a social media policy and protocol in July 2011.
