**Question No: 79**

**Topic:** Family Support Program

**Hansard Page:** 20/10/2011 CA37

**Senator Bernardi** asked:

How many contract officers or managers (FTE equivalent) are there under the Family Support Program? Include a state-by-state breakdown.

**Answer:**

The State Network offices are funded by jurisdiction to provide contract management across a range of FaHCSIA programs.

Therefore, it is not possible to disaggregate FTE by Program attributed to each State Network Office.

State Network staff are responsible for a variety of functions across Programs which includes, but is not limited to, contract management work.
