DEEWR Question No. CA0029_13

Senator Payne asked on 19 October 2012, Hansard page 58

Question

VTEC Review - List of consultation processes

Senator PAYNE: That is in general terms. Are you able to provide the committee on notice with a list of the consultation processes that took place, the organisations and individuals, and whether there were employer groups engaged in that? Ms Wood: We can take that on notice.

Answer

The Review was designed to compare the Vocational Training Employment Centre model proposed by GenerationOne to a range of similar models, including the Vocational Training Employment Centre operated by Fortescue Metals Group in the Pilbara.

Consultations were undertaken by Hugh Watson Consulting with the employers, employer groups, service providers and project participants relevant to the scope of the Review.
