**Outcome Number:** 7

**Question No:** 229

**Topic:** Remote Housing

**Hansard Page:** Written

**Senator Siewert** asked:

How many houses in remote communities in the Northern Territory are currently deemed to be “legacy dwellings”? What is the current breakdown per community?

**Answer:**

Reporting data regarding legacy dwellings is not a part of the NPARIH reporting framework and is therefore not available to the Department. Senator Siewert may request this information from the Northern Territory Department of Housing directly.
