Senator Scullion asked:

On 30 November 2011, at a meeting with Baniyala representatives in Darwin the NLC advised that FaHCSIA would not be responding to communication regarding the Baniyala leases. Is that what the NLC told Baniyala?

Answer:

The NLC did not advise that the department would not be responding to communications from the lease applicants or their advisers. The NLC presumes that the department has responded to such communications.
