Question No: 454

Topic: Proposed Katherine Land Council

Hansard Page: Written

Senator Scullion asked:

If there is a vote on the establishment of a new land council, will the NLC use its resources to campaign against the establishment of a Katherine Regional Land Council?

How much will the NLC spend on this?

Answer:

This question is hypothetical, since at this stage the Minister has not decided whether or not to proceed to a plebiscite regarding the proposed Katherine Regional Land Council.

The NLC will review its position regarding the proposal in light of the Minister's decision, when made.
