Senator Scullion asked:

Has ORIC had cause to make enquiries into the operations of the Lhere Artepe Aboriginal Corporation and does ORIC have any concerns in relation to its corporate governance?

Answer:

Since January 2010 the Registrar of Indigenous Corporations has undertaken a number of regulatory actions regarding the Lhere Artepe Aboriginal Corporation RNTBC. These actions have all been completed and details are available on the Registrar's website, www.oric.gov.au.

The Registrar has no current concerns about the corporate governance of the corporation but continues to liaise with the corporation and provide assistance as required.
