

## Senate Community Affairs Legislation Committee

### SUPPLEMENTARY ESTIMATES - 18 OCTOBER 2012 ANSWER TO QUESTION ON NOTICE

#### Human Services Portfolio

**Topic:** Properties owned and leased by the Department

**Question reference number:** HS 3

**Senator:** Fifield

**Type of question:** Hansard pages 92-93

**Date set by the committee for the return of answer:** 7 December 2012

**Number of pages:** 31

#### **Question:**

Senator FIFIELD: ..... I have previously asked for a list of all properties owned and leased by the department. The only change to the properties owned would be the Townsville property that has been sold.

Ms Campbell: Yes, Senator.

Senator FIFIELD: How many sites do you presently operate from?

Ms Bennett: We have 822 commercial properties around Australia, and we have 52 residential properties.

Senator FIFIELD: That's right; I remember those. Just for the sake of completeness, if you would not mind taking on notice, for each of those 822 plus 52 properties, the address — and I realise that some of this, in some form, would be on your website, no doubt—

Ms Bennett: We have provided you the information previously about the addresses and locations of the commercial properties; we have not provided the information for the residential properties.

Senator FIFIELD: I thought you had.

Ms Campbell: I think it was decided, Senator, because of security concerns in some locations, that we might just say the suburb in which the property—

Senator FIFIELD: Oh, I appreciate that — sorry. You are quite right: locations.

Ms Bennett: Location rather than a street address.

Senator FIFIELD: A town or suburb rather than an address, yes.

Ms Bennett: Yes.

Senator Kim Carr: If the previous information has not changed, it is going to get provided again.

Senator FIFIELD: That is right. Could you take on notice where—

Ms Bennett: If there have been any changes.

Senator FIFIELD: the information has changed. I think at that time you stated where a property was leased, where it was owned—I am not sure whether the value of the property was provided, where it was owned.

Ms Bennett: Yes, we did provide the approximate value.

Ms Campbell: We did provide lease—

Senator FIFIELD: Approximate value; okay. Again, if there have been any significant changes from that, just provide those to save doing it again. Thank you for that.

**Answer:**

As there have been numerous changes to the portfolio since the last time the information was provided, full details of all properties leased or owned by the Department as at 6 November 2012 are listed in Attachment A. The values of the owned buildings are as at 30 June 2012.
