Outcome Number: 6

Question No: 80

Topic: National Women's Alliances

Hansard Page: Written

Senator Cash asked:

How are the reporting and tangible outcomes of the Alliances received? (Stress importance of having to know what the value of funding these types of programs is, and how they cannot be justified unless they are able to demonstrate tangible outcomes. Similar to questions at the top “how do they measure what the groups are doing, in order to assess the basis on which they should continue to be funded”?)

Answer:

Each National Women’s Alliance submits quarterly reports and an annual report that outlines their progress against activities in their yearly work-plan.
