Senator Boyce asked:

How will the department/agency manage moving recruitment advertising online? Will all future recruitment advertisement be online only? If not, explain why. What are the estimated savings for each year over the forward estimates?

Answer:

Future recruitment advertising will predominantly be online, however, FaHCSIA may place recruitment advertising in print media such as Indigenous, local, regional or rural media, to target specific candidates with specialist skills/knowledge and/or background.

An estimate of savings over the forward estimates is not available.
