Question No: 410

Topic: Shredders

Hansard Page: Written

Senator Boyce asked:

Did the department/agencies purchase any shredders in 2011-12? If yes, provide details of how many shredders were purchased, the cost of each shredder, why each new shredder was needed and the purpose for which the shredder is to be used.

Answer:

In the 2011-2012 financial year, FaHCSIA purchased a total of 16 Security Construction Equipment Committee (SCEC) endorsed paper shredders at a total cost of \$73,007.00 (GST Inclusive).

The cost of each shredder purchased during this period varies between \$2,359 and \$6,484 (GST Inclusive) depending on size and class.

SCEC endorsed paper shredders are used for the destruction of information classified PROTECTED and above, including Sensitive: Cabinet information.

Shredding machines are approved by the SCEC on the basis of their fitness for security purposes. The guidelines on the use of shredding machines are outlined in the Attorney-General's Department Security Circulars No 52 and No 73.

Information from the Portfolio agencies is not able to be provided without the use of significant resources.
