**Senator Peris** asked:

Can you provide detail of what kinds of appeals from Centrelink decisions were made for 2012-13 and for the first quarter of 2013-14.

**Answer:**

The SSAT breaks down applications for review by the type of payment giving rise to the decision of which review is sought, and includes a table of that data in its Annual Report.

The table for 2012-13 is included as Appendix 4 to the SSAT's Annual Report for 2012-13. A table with the data for the first quarter of 2013-14 is attached.
