Senator Moore asked:

According to the policy (the Secretary) will be set a specific regulatory performance target both in terms of the number of regulations to be cut and the extent of the impact of those regulations?

Has that target been set for this department yet? If so, what is the target? If no, when do you expect to finalise this target?

Answer:

The performance target for the Department has not been formally advised, as at 6 December 2013. The timeframe within which the target will be set is a matter for Government.
