Topic: Rollout at launch sites

Hansard Page: Written

Senator Moore asked:

Can you please provide copies of the weekly reports that have been provided to the state governments since the election?

Answer:

Weekly activity reports were provided to individual trial site jurisdictions in the period until 30 September 2013, after which the National Disability Insurance Agency (NDIA) provided the first quarterly report. It was agreed that these reports would not be distributed more widely without the consent of the relevant state and territory ministers.
