Outcome Number: 9

Question No: 431

Topic: DES

Hansard Page: Written

Senator Siewert asked:

For the year to September 2012 (or similar period) please indicate the proportion of people with partial work capacity in the DES programs who obtained full and part time employment 3 months after participating in the program.

Answer:

The table below outlines proportion of job seekers with a partial capacity to work who achieved a three month employment outcome in the year ending September 2012.

	Employed (%)		
	Full-time	Part-time	Total
Disability Employment Services	7.0	27.6	34.6

Note: A job seeker is considered to have a partial capacity to work if they have an impairment that prevents them from working at least 30 hours per work.
