Dear Elise,

Re: Clarification to Community Affairs Committee

NEHTA CEO Mr Peter Fleming appeared before the Community Affairs Legislation Committee Senate Estimates on Wednesday 20 November and would like to submit clarification on two points.

On page 93 of the Hansard Mr Fleming is recorded as providing a response of "It was about \$13 million" to a question from the Chair on the cost of NEHTA's Rapid Integration Project. Mr Fleming would like to clarify that the cost of the project was \$10 million.

On page 94 of the Hansard Mr Fleming would like to clarify that the HIPS system was built by Chamonix, an Australian owned company.

Yours sincerely

Ray Grant
