Senator Moore asked:

Please provide the number of organisations with existing funding from the Department who have applications for funding as part of the current 5572 applications being considered?

Answer:

Applications were submitted by 2659 organisations. Of those, around 1500 receive current grant funding from the Department.

Additionally, some existing organisations may have applied for funding as the non-lead entity within a consortium arrangement, or applied for funding under a new legal name.
