Senator Moore asked:

Please provide the number and percentage of families on Family Tax Benefit A with outstanding debt who currently have a debt repayment agreement with the Department of Human Services.

Answer:

Information on debt is only available for Family Tax Benefit, and not Family Tax Benefit Part A or Family Tax Benefit Part B separately.

As at June 2014, 202,711 families had outstanding Family Tax Benefit debt and 166,839 (or 82 per cent of this group) have a debt repayment agreement with the Department of Human Services.
