Senator Brown asked:

How many people under the age of 65 in the launch sites have had aged care assessment team assessments since 1 July 2013?

Answer:

Due to the eligibility requirements in the trial sites not all people under the age of 65 in those sites would have been eligible for the NDIS. For example, on 1 July 2013, the NDIS began in Tasmania for young people aged 15-24.

Data extracted November 2014.

There were 612 people under the age of 65 in the National Disability Insurance Scheme (NDIS) trial sites who had an Aged Care Assessment Team assessment from 1 July 2013 to 30 June 2014.
