CANBERRA ACT 2600

Dear Senator Seselja

I am writing to correct evidence provided to the Committee during its examination of the Social Services Portfolio in relation to Outcome 5.

In answering a question from Senator McLucas regarding numbers of participants entering the National Disability Insurance Scheme, I said:

We have conducted a review of all non-eligible decisions through to the end of March – a bit over 400 of them. As a result, we have reversed about 96 of those...

The correct numbers are actually that all non-eligible decisions through to the end of March totalled 531 and 76 of those decisions were reversed.

Yours sincerely

David Bowen
