## Senate Community Affairs Legislation Committee

# SUPPLEMENTARY BUDGET ESTIMATES – 22 OCTOBER 2015 ANSWER TO QUESTION ON NOTICE

## Department of Human Services

**Topic:** Medicare – Number of Staff

Question reference number: HS 8

Senator: Cameron

**Type of question:** Hansard pages 104-105

Date set by the committee for the return of answer: 11 December 2015

Number of pages: 2

#### **Question:**

a) Senator CAMERON: ..... How many employees of DHS are involved in the Medicare payment system?

Ms Campbell: ..... We do not have an exact number because we have staff doing many functions as we have integrated the Department of Human Services with Centrelink, Medicare and the Child Support Programme. We think it is in the order of 1,500 to 1,700-ish but we are still continuing this work because we saw this article this morning and we have endeavoured to get that. We can take it on notice and work on that.

Senator CAMERON: I am happy for you to. Thanks for the broad estimate and I am sure you will come back to us. Can you come back to us with the final figure?

Ms Campbell: We will work through that.

b) Senator Cameron: Where are the bulk of these workers employed?

.....

Ms Campbell: We can give you a list of all the locations where we have customer-facing offices.

Senator CAMERON: That would be handy.

Ms Campbell: We also have small call centres in some other locations.

Senator CAMERON: This is Medicare?

Mr Sandison: Yes.

#### Answer:

a) This response covers the health claims processing and payment functions that are potentially in scope for the market testing of the payment of health services, in line with the discussion in Senate Estimates leading to these questions.

It is estimated that around 1,400 ASL could be attributed to those functions, including both the ASL directly involved in the delivery of the function and a general attribution of the total ASL involved in the delivery of corporate and ICT functions that support the Department.

- b) There are 15 key locations that undertake Medicare payment processing, these are:
  - Northumberland Street, Liverpool, NSW;
  - Blacktown, NSW;
  - George Street, Parramatta, NSW;
  - Scarborough Beach Road, Perth, WA;
  - Stirling Street, Perth, WA;
  - Pulteney Street, Adelaide, SA;
  - Greenhill Street, Adelaide, SA;
  - Merivale Street, Brisbane, QLD;
  - Turbot Street, Brisbane, QLD;
  - Melbourne, VIC;
  - Brougham Street, Geelong, VIC;
  - Ryrie Street, Geelong, VIC;
  - La Trobe, VIC;
  - Moorabbin, VIC; and
  - Moreland, VIC.

In addition, there are 237 sites that deliver face to face services where some processing may be undertaken; these are listed at <u>Attachment A</u>. Corporate and ICT support is primarily delivered from Canberra, ACT.
