OUTCOME: 0 - Whole of Portfolio

Topic: Machinery of Government (MoG) changes

Type of Question: Written Question on Notice

Senator: McLucas, Jan

Question:

How have staff who have transferred from the Department of Social Services been incorporated into the DoH's IT systems. Please detail all new and additional equipment that has been purchased

Answer:

To ensure business continuity and access to key business systems, the majority of staff who transferred from the Department of Social Services (DSS) to The Department of Health continue to use DSS IT equipment configured to be part of the Health IT network. These staff have been provided a Health email addresses, access to the Health intranet, leave and payroll information.

As at 12 November 2015, ten staff who relocated to Health offices accommodation have been provided with Health's standard ICT equipment, including a desktop monitor, terminal, keyboard and landline phone.
