#### Notes:

#This is a unique total, e.g. individual home care services can deliver more than one level of home care and appear in more than one column, or in more than one state/territory but are only included once in this total.

1 Excludes: Multi-Purpose Service (MPS) Programme, National Aboriginal and Torres Strait Islander Flexible Aged Care Programme and Innovative Pool Programme Services. Home care services are identified above by their service delivery state.

2 Multi-purpose Services (MPS) Programme, National Aboriginal and Torres Strait Islander Flexible Aged Care Programme Services and Innovative Care Programme Services provide residential and home care places.
