#### Notes:

#This is a unique total, e.g. home care providers may be included in more than one column or in more than one state/territory, but are only included once in this total.

\*This is a unique total. If the same providers are included in the 'Residential care (non-flexible)' column and the 'Total (levels 1 to 4)' column for home care (non-flexible), they are counted only once in this total.

1 Excludes Multi-Purpose Services (MPS) Programme, National Aboriginal and Torres Strait Islander Flexible Aged Care Programme and Innovative Pool Programme providers.

2 Multi-Purpose Services (MPS) Programme, National Aboriginal and Torres Strait Islander Flexible Aged Care Programme Services and Innovative Pool Programme Services provide residential and home care places.

The location of a provider is identified by the service delivery state of the residential facility or home care service it owns.
