Senator: Di Natale, Richard

Question:

Senator DI NATALE: ANACAD is a black box, as far as I can tell. Do we have any information that can be shared with the Senate on the activities of ANACAD?

Ms McGlynn: We can take that on notice.

Answer:

The membership and terms of reference of the Australian National Advisory Council on Alcohol and Drugs (ANACAD) have been publicly available on the Department of Health website since the Council was established in late 2014

(www.health.gov.au/internet/main/publishing.nsf/Content/anacad).

As per its terms of reference, ANACAD supports the Australian Government by providing confidential, strategic evidence based advice.
