Question:

How much, in total, has been spent on the Personally Controlled Electronic Health Record (PCEHR)/My Health Record to date?

Answer:

From 2009-10 until 30 June 2016, \$1.15 billion has been invested in the infrastructure development, implementation and ongoing operation of the My Health Record (formerly known as the Personally Controlled Electronic Health Record) system, and the operations of the digital health foundations upon which the My Health Record has been built.
