Notes:

Data only includes records where ACAT approval is before admission date. Data only includes first admissions in the Location is based on the postcode of the recipient's residence.

A small number of recipient postcodes are invalid and not able to be reported by remoteness area. Postcodes th Elapsed time data based on between 1 and 4 admissions have been suppressed to ensure confidentiality. The At Data with unknown elapsed time are excluded.

Data for elapsed time by remoteness were sourced at a later date than the data for elapsed time by state/territo Data for residential care only includes permanent residents.
