# Supplementary Budget Estimates 2016 - 2017, 19 October 2016

**Ref No:** SQ16-000735

**OUTCOME:** 2 - Health Access and Support Services

**Topic:** Headspace

Type of Question: Written Question on Notice

Senator: Polley, Helen

### **Question:**

In 2013, the Abbott Government committed to increasing headspace centres to a total of 100. There was a commitment for these to be fully operational by 2017. Are the 100 centres on track to be open by 2017? Can you provide a list of where these 100 headspaces will be located by state and territory? Is the funding for all 100 headspaces and the additional 10 headspaces guaranteed past 2018? After 2018, will any of the headspace centres have to compete for funding so they can remain open? Can the Department provide the amount of funding that has been redirected from headspace to the PHN's?

### Answer:

As at 2 November 2016, 95 headspace centres are operational. The remaining five headspace centres are on track to open by 2017.

Locations for all 100 headspace centres by state and territory are provided at <u>Attachment A</u>.

Funding for all 100 headspace centres is ongoing. During the election, the Government committed \$20 million for ten new headspace centres to be established by 2019 and guaranteed funding for headspace. The Government is working to formalise these election commitments.

Under the Government's current funding agreement with the PHNs, funding has been directed to PHNs for 100 headspace centres to the value of \$82.4 million in 2016-17 and \$83.1 million in 2017-18.
