**Type of Question:** Written Question on Notice

**Senator:** Polley, Helen

**Question:**

Can you provide annual data to 30 June 2016, and comparable data for each year since the commencement of the Home Care Packages Program by provider ownership type (not-for-profit, for-profit, government), remoteness and scale for: expenditure per package per year on admin and management fees, direct care costs and other expenditure, average EBIDTA

**Answer:**

With the introduction of Consumer Directed Care on 1 July 2015, the 2015-16 financial year is the first year that information on administration and management fees has been collected from all home care providers.

With home care providers still in the process of submitting their 2015-16 financial returns, analysis of the 2015-16 results is not expected to be available until March-April 2017.
