Topic: Giggle and Hoot relocation

Senator Williams asked:

What is the cost to taxpayers to relocate *Giggle and Hoot* to the *Four Corners* office?

Mr Scott: We will have to take that on notice.

Answer:

The cost to move the *Giggle and Hoot* production team was \$272,774. The cost for changes to the *Four Corners* area to make way for the new layout was \$321,541. The renovations were undertaken to ensure the most efficient use of space in the building after a review.
