

Senate Standing Committee on Environment and Communications

Answers to Senate Estimates Questions on Notice

Additional Estimates Hearings February 2015

Communications Portfolio

NBN Co Limited

Question No: 58

Program No. NBN Co

Hansard Ref: Written

Topic: Rollout/General

Senator Urquhart asked:

Does NBN Co intend to connect Vertical or Horizontal Multi Dwelling Units (MDUs) in Greenfield areas using Fibre to the Building/Basement (FTTB) technology?

Answer:

NBN Co in consultation with developers has a choice of technologies to deliver to Greenfields premises. At this point, the majority of Greenfields Vertical and Horizontal Multi Dwelling Units (MDUs) are planned to be delivered via Fibre to the Premises access technology. Where practical and cost effective Fibre to the Building/Basement (FTTB) access technology will be used.
