Outcome: Outcome 1
Programme: Wildlife Heritage and Marine Division (WHM)
Topic: Multiple use export permits - kangaroo products
Hansard Page: N/A
Question Date: 23 February 2015
Question Type: Written

Senator Rhiannon asked:

Export information regarding kangaroo products (eg country of destination, quantity of specimens and unit, financial value) is not provided with Multiple Use Export Permits, but through acquittal of each export consignment occurring during the validity of the permit:
a) May I please have those acquittal details for the period from June 2013 until current?

Answer:

A spreadsheet showing Australian kangaroo products exported on Multiple Use Export Permits for the period 1 July 2013 to the 13 March 2015 is attached (See QoN No. 63 – Attachment A).

This data is based on information provided by exporters to the Department upon acquittal of export permits.

The Department does not record information on the financial value of kangaroo exports.

Not all data are available as not all permits have been acquitted and data uploaded for the period 1 July 2013 to 13 March 2015.
