Question No: 112

nbn

Hansard Ref: Page 127, 9/2/2016

Topic: Professional installation labour rate

Senator Conroy, Stephen asked:

Senator CONROY: Your price list states, on page 12, that the cost of a professional install is the labour rate, minimum two hours, plus materials, minimum \$10. Is that correct?

Mr Morrow: I would have to confirm that.

Answer:

Yes, that is correct. Our price list is published on the nbn website and is available at:
