Question No: 153

nbn

Hansard Ref: Written, 22/2/2016

Topic: CVC Assumptions

Senator Urquhart, Anne asked:

NBN Co has previously provided the Parliament with its AVC assumptions for FTTP, FTTN and HFC (see QoN 118 from Budget Estimates Hearings May 2015).

Please set out NBN Co's CVC assumptions (in revenue per user per year) for the access technologies, AVC profiles and time periods set out in NBN Co's answer to QoN 118 from Budget Estimates Hearings May 2015.

Answer:

nbn co's CVC profile and forecasts are commercial-in-confidence.
