2. The list of current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location is answered under **Question on Notice 166** (SQ16-000134).
3. Departmental desktop runs the Windows 7 operating system. Licensing for the product falls under a Volume Licensing Service Centre agreement with the Department of Finance (as per whole of Australian Government arrangement). The Windows 7 operating system is a component of a larger Microsoft packaged product, and as such detailed ongoing costing for the Windows 7 component is not available.
