**Senator Ludwig asked:**

Since the change of Prime Minister on 14 September, 2015:

1. Has electronic equipment (such as ipad, laptop, wireless card, vasco token, blackberry, mobile phone (list type if relevant), thumb drive, video cameras) been provided by the department/agency to departmental staff? If yes provide a list of:
2. What has been provided?
3. The purchase cost.
4. The ongoing cost.
5. A list of any accessories provided for the equipment and the cost of those accessories. (e.g. iPad keyboards, laptop carry bags, additional chargers etc).
6. A breakdown of what staff and staff classification receives each item.

**Answer:**

***Department of the Environment***

The Department's electrical equipment, phones and computers are primarily managed by an outsourced service provider and are not tracked to this level.

***Australian Renewable Energy Agency (ARENA)***

ARENA has not provided electronic equipment to its staff during this period.

***Bureau of Meteorology***

Bureau of Meteorology staff are issued with mobile devices as determined by their program managers and supervisors. Staff provided with electronic equipment include managers, operational meteorologists and hydrologists, field technicians, Information and Communications Technology support staff and communications staff across all classifications.

The following table outlines the Bureau of Meteorology's electronic equipment purchases from 14 September 2015 to 31 December 2015.
