**Topic: Access Network**

**Senator Urquhart, Anne asked:**

**Senator URQUHART:** Can you explain for each access network how much the design phase actually costs and whether it contributes to the CPP.

**Mr Morrow:** Stephen, can you help with that?

**Mr Rue:** The design phase will be broadly similar. If you give me a few minutes I can see if I can find the differences. They all feed into the cost per premises, yes.

**Senator URQUHART:** Can you give me a bit more detail about how much the design phase costs for each access—

**Mr Rue:** If you want to move on, I will come back to you.

**Senator URQUHART:** I can move on.

**Answer:**

This was answered during the hearing. Please refer to page 150 of Hansard.
