Hansard Ref: Written, 14/03/2017

Topic: FTTH Contracts

Senator Urquhart, Anne asked:

1. As of 1 August 2015 did NBN Co still have any existing contractual commitments – which were entered to prior to the election of the Coalition Government in September 2012 - to deploy FTTH as part of the NBN rollout in calendar years 2016 and 2017?
 - (a) If yes:
 - For how many premises?
 - Break down by state.
 - Were these commitments honoured?

Answer:

As of 1 August 2015, nbn had a number of contractual arrangements in place that were entered into prior to September 2013 and which allowed the deployment of FTTP (FTTH) technology; however, these arrangements did not commit nbn to specific volumes.
