Question No: 214

NBN Co Limited

Hansard Ref: Written, 14/03/2017

Topic: Activation rates

Senator Urquhart, Anne asked:

Does NBN Co have different activation rate assumptions for different States and Territories within the same technology footprints?

Answer:

Take-up rate assumptions are not related to the state or territory, but to the characteristics of individual areas. Within each state or territory there can be high take-up and low take-up areas.
