**NBN Co Limited**

**Hansard Ref: Written, 14/03/2017**

**Topic: State based rollouts – 2017 Corporate Plan**

**Senator Urquhart, Anne asked:**

QON 145(4) of Supplementary Budget Estimates October 2016 requested NBN provide the numerical data underpinning Exhibit 8 of the 2017 Corporate Plan. NBN responded by saying the percentages shown in the table were approximates but did not supply the numerical data. The 'approximate' nature of the percentages is noted for the record. Nonetheless, the Senate has requested the numerical figures underlying Exhibit 8 in the 2017 Corporate Plan and expects that they will be supplied.

Please supply by completing the following table:

State	Pre FY17 (%)	FY17 (%)	FY18 (%)	FY19 (%)	FY20 (%)
ACT					
WA					
QLD					
VIC					
NSW					
SA					
NT					
TAS					

**Answer:**

State	Pre FY17 (%)	FY17 (%)	FY18 (%)	FY19 (%)	FY20 (%)
ACT	24	1	23	51	2
WA	15	31	35	19	0
QLD	17	26	30	27	0
VIC	9	31	27	32	1
NSW	16	28	34	22	0
SA	18	34	32	16	0
NT	100	0	0	0	0
TAS	56	37	7	0	0

Note that these percentages relate to Ready for Service figures which will include a proportion of unserviceable premises, which can take longer to connect.

It is also worth noting that this information is publicly available. nbn provides the exact rollout numbers publicly for each state and territory each week.
