Senator Roberts asked:

Please list the reasons why your department has not acted on the Inter-Academy Council's Review of the processes and procedures of the IPCC Oct 2010?

Answer:

The Department has acted on the Inter-Academy Council's (IAC) Review of the Processes and Procedures of the IPCC. Working with other IPCC member countries, the Australian Government, represented by the Department, has actively promoted the development of improved procedures to raise the transparency, consistency and review of IPCC reports, processes and governance.
