Question Date: 27 February 2017
Question Type: Written

Senator Abetz asked:

How many hours of staff time have been allocated to the staff-led Gender Equity Network since its inception?

Answer:

Three staff contributed approximately one hour per week for a period of two months leading up to the e-launch on 25 November 2016, some of which occurred outside of work hours.

Since this time, it is estimated that on average one hour per week is invested in supporting the Network.
