Senator Ludwig asked:

Provide details of the recipients, the amount, the intended use of the grants, what locations have benefited from the grants and the electorate and state of those grants.

Answer:

1. Australia Post has not provided any grants under its Neighbourhood Community Grants program since 1 February 2014.
2. Details of the 191 grants provided under the first round of the program (applications sought May and announced in September 2013) are available at:

Grant details include the recipient, amount, intended use, location and state involved, but not the electorate.
