**Topic: Mr Morrow**

**Senator Urquhart asked:**

Did Mr Morrow provide answers to the Minister or the NBN Co Board to any of the questions to which he declined to give an answer at the hearing? If so, which question or questions?

**Answer:**

Discussions between Mr Morrow, the Minister and the Board are confidential between those parties. NBN Co representatives at Parliamentary Committee hearings do their utmost to provide answers to all questions during the hearing. If answers are not available straight away, witnesses will take the question on notice to come back to the Committee with the relevant information.
