**Program No. NBN Co Limited**

**Hansard Ref: In Writing**

**Topic: Service Class 1**

**Senator Urquhart asked:**

At the hearing Mr Adcock said “we still have Service Class 1 today, because it takes time to change the contractual environment.” When will the contractual arrangements be varied?

**Answer:**

NBN Co has commenced consultation with our Delivery Partners. The new contracting environment to support serviceability is planned to be implemented in the financial year 2015.
