Question No: 286

Program No. NBN Co Limited

Hansard Ref: In Writing

Topic: Strategic Review

Senator Urquhart asked:

How is NBN Co is progressing on the timelines laid out in the Exhibit 4-11 of the Strategic Review? Are there any milestones in the exhibit that have not been met? If so, what are they?

Answer:

NBN Co is making good progress implementing the recommendations of the Strategic Review. NBN Co is unable to provide a detailed response to the progress in the sequencing of key activities reflected in Exhibit 4-11 as these were redacted from public disclosure at the time of the release of the report. The Strategic Review was prepared for the Government, has been released with limited redactions, and the full un-redacted document remains cabinet-in-confidence.
