

Senate Standing Committee on Environment and Communications

Answers to Senate Estimates Questions on Notice

Additional Estimates Hearings May 2014

Communications Portfolio

NBN Co Limited

Question No: 293

Program No. NBN Co Limited

Hansard Ref: In Writing

Topic: Weekly Program Summary Reports

Senator Urquhart asked:

Can NBN Co provide a copy of every Weekly Program Summary Report prepared since July 2013?

Answer:

This is an internal working document that is not made publicly available as it contains information which is commercially sensitive and if released could cause harm to NBN Co's commercial arrangements.

NBN Co publishes a weekly progress report on its website, which provides public data regarding rollout activity and progress.
