Topic: Eurovision

Senator Ruston asked:

1. Before I finish, how many representatives of SBS attended the Eurovision song contest in Denmark this year?

Answer:

1. SBS Managing Director Michael Ebeid represented SBS at the 2014 Eurovision Song Contest, and an SBS publicist also attended. One SBS news representative based in the region covered the event for the SBS News service. The on-air talent and production crew were all employed and paid for by SBS's production partner Blinks TV and Sony Music.
