**Topic: Contracts under \$10,000**

**Senator Ludwig asked:**

Please provide a detailed list of all contracts entered into worth between \$4,000 and \$10,000 since 7 September 2013.

**Answer:**

The ABC enters into a number of contracts for services or products each financial year within the range of \$4,000 and \$10,000. Those contracts may relate to a range of operational requirements, including contracts relating to content production, procurement of goods or services, and engagement of independent contractors or consultants. The ABC does not maintain a central list of all such contracts.
