Chair
Senate Environment and Communications Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Senator Ruston

On 27 May 2015, Drew Clarke, Secretary, and I appeared as witnesses before the Senate Environment and Communications Legislation Committee Estimates hearing. I wish to bring your attention to two questions on notice which clarify advice given to the Committee.

During the hearing Senator Carr asked: "what engagement has the department had with the Department of Infrastructure and Regional Development on the proposal to allow personal importation of new vehicles?" In response Mr Clarke said: "None."

This response is clarified through questions on notice 1 and 2 which were provided to the Committee on 9 July 2015.

I trust this information will be of assistance.

Yours sincerely

Ian Robinson
